

## PALM SPRINGS ~ Californian inspired Eco prints

Taking inspiration from the laid-back Californian lifestyle, the Palm Springs Collection presents a fun and confident range of Eco prints, presenting painterly designs of vibrant buildings, conversational beach scenes, and sprawling palm leaves. On-trend colourways range from soft lilacs and deep-sea blues to cool greys, for a contemporary, versatile, and trend-led take on the Californian theme. Pair with white accents for the perfect backdrop to the collection's joyful designs.
