

**SAVANNAH ~ inspired by rugged terrain found in the depth of nature**

Inspired by the mountainous landscape itself, Savannah incorporates prints, weaves, and embroideries all inspired by the rugged terrain found in the depths of nature. From an upholstery-weight cross stripe to woodblock-style leaf jacquards, the beauty of the outdoors remains central to Savannah's appeal, whilst characterful motifs and intricate dot work owe a nod to the collection's tribal influences. The collection's quilted plain suits itself perfectly to striking headboard features, bolstering Savannah's suitability for whole-room schemes. A palette of nature-inspired colourways, spanning rich navy and rust tones to striking black and white hues, suits Savannah to a plethora of décor styles.
